

You're the Lone Cowboy

moving your cattle (Subs) from one pasture (job-site) to the next.

Most insurance Companies now require annual Master Service Contracts to verify your Subs maintain adequate coverage.

CertEssentials can assist by:

- Verifying the Sub's insurance is in force and meets the Master Service Contract's requirements.
- Managing each Sub's Annual Master Service Contract.

What One Alliance Member Says . . .

“Keeping track of our Sub-Contractors Master Service Contracts and Certificates of Insurance took considerable effort. CertEssentials provides a cost effective solution that lightens our workload.”

Steve DuBose, Trio Consulting and Management

Using your letterhead, CertEssentials will coordinate and track the “paper-flow.”

CertEssentials helps during the annual roundup (renewal time)

You will have 24-hour private web access to all your information.
